**Examiner Leny Navarro:** [Fuller House](#) is a success, how does it feel to be part of the new series?

**Candace Cameron-Bure:** It has been a real joy to be able to do it

again. I probably cried for a week. I love the fact that we shoot in front of a live **audience**, it makes it even more special. At first, it was overwhelming as everything looked identical to the original set.

**LN:** How has your character evolved?

**CC-B:** DJ has truly grown into a responsible mother. She is wiser but also vulnerable. As a widow with three children, she needs her sister and her best friend to help her out.

**LN:** Candace, what is your favorite episode so far?

**CC-B:** It has to be the **wrestling** episode! No one expected me to actually get in the ring. I truly loved doing it without using a stunt double.

**LN:** It certainly looks like the writing team is having fun!

**CC-B:** Absolutely, the writers always come up with these crazy ideas. For example, I was on "Dancing With the Stars," so they asked me if I was up for some more dancing, we ended doing a remake of Dirty Dancing. In that episode, we have great cameos from **Macy Gray** and **Dancing With the Stars** pros Val and Mak. They are hilarious.

**LN:** I have to say Kimmy Gibbler is as funny as ever!

**CC-B:** Yes, Kimmy Gibbler is hilarious. I never get bored of watching Andrea. She steals the show!

**LN:** What's coming next for you?

**CC-B:** I can't wait for the second season of Fuller house. I am also returning to **The View** next week. Finally, I have been busy with my latest installment of **An Aurora Teagarden Mystery** for **Hallmark Movies & Mysteries**.
